Bella Vista Village's junior tennis camps provide young athletes an opportunity to become better tennis players in a fun, positive atmosphere. Campers leave tennis camp with confidence and a passion to enjoy a lifetime sport. Come have fun playing tennis and meeting new friends. It may just be your favorite week of the summer.

Our camps provide coaching for all ability levels. Campers will be evaluated on the first day and placed in groups to maximize their potential. Our staff pros are dedicated to the personal development and improvement of every camper, from beginners to top tournament players. All instructional programs are offered each session.

Bella Vista Village's junior camps offer a unique opportunity for campers of all ages to participate in a week of intensive tennis instruction, practice and play. Quality instruction for the tournament player, as well as the junior player is the key focus.

Facilities include eight asphalt courts, ball machines, hitting walls and videotaping. Using drills, games and contests, our staff emphasizes the fun of the game while stressing sportsmanship and etiquette. Competitive learning situations are provided through tournaments and the U.S. Tennis Association's skill testing program.
